FOR SALE.

The subscriber offers for sale that beautiful place at Bulls-Head, where he now resides. It is situated on one of the four pleasant corners at Bull's Head, four miles from Sag Harbor, at the end of the turnpike road leading from that place, and about two miles from the main Ocean on the South and is equi-distant from South & Easthampton, being six miles from each. It is decidedly one of the most delightful and pleasant situations in Bridgehampton; and the only inducement to part with it, is the contemplation of building on the opposite corner of the old Homestead.
